

The appropriations in this section are subject to the following conditions and limitations:

- (1) \$3,287,000 of the general fund--state appropriation for fiscal year 2014 and \$3,286,000 of the general fund--state appropriation for fiscal year 2015 are provided solely for the payment of facilities and services charges, utilities and contracts charges, public and historic facilities charges, and capital projects surcharges allocable to the senate, house of representatives, statute law committee, and joint legislative systems committee. The department shall allocate charges attributable to these agencies among the affected revolving funds. The department shall maintain an interagency agreement with these agencies to establish performance standards, prioritization of preservation and capital improvement projects, and quality assurance provisions for the delivery of services under this subsection. The legislative agencies named in this subsection shall continue to enjoy all of the same rights of occupancy and space use on the capitol campus as historically established.
- (2) In accordance with RCW 46.08.172 and 43.135.055, the department is authorized to increase parking fees in fiscal years 2014 and 2015 as necessary to meet the actual costs of conducting business.
- (3) The building code council account appropriation is provided solely for the operation of the state building code council as required by statute and modified by the standards established by executive order 10-06. The council shall not consider any proposed code amendment or take any other action not authorized by statute or in compliance with the standards established in executive order 10-06. No member of the council may receive compensation, per diem, or reimbursement for activities other than physical attendance at those meetings of the state building code council or the council's designated committees, at which the opportunity for public comment is provided generally and on all agenda items upon which the council proposes to take action. The building code council shall comply with chapter 19.85 RCW, known as the regulatory fairness act, by including with all proposed substantial code amendments an analysis addressing cost effectiveness, net benefits, payback periods, and life-cycle costs.
- (4) Within funding for the building code council, no moneys may be expended for work on aspirational codes under RCW 19.27A.150. Nothing in this proviso shall inhibit the building code council from adopting and implementing current codes.
